

Mission Statement

At Al Mawakeb Al Khawaneej, we are convinced that every human being is valuable and deserves the opportunity for self-realization and self-fulfillment.

We are committed to providing a high-quality education and applying a distributed leadership model that will encourage our students to embrace accountability, self-reliance and teamwork in their daily lives.

We aim to work with parents, students, teachers and other stakeholders to provide all students with a caring, sustainable and inclusive learning environment in which collaboration, innovation, talent, and critical thinking are valued and encouraged, thus empowering children to achieve their fullest potential.

We are committed to developing their 21st century skills and building students to become well-rounded, goal-driven and holistic individuals who are advocates of multiculturalism and are capable of solving global, local, and environmental issues. We will challenge students to take personal responsibility for their own learning and to apply their learning to a diverse and changing world.

High School Profile - Al Mawakeb Al Khawaneej is a private international school founded in 2018. We provide a comprehensive university preparatory education to students of all nationalities, religions and background. We offer a US curriculum within an international context that provides the rigor, challenge and the progression enabling our graduates to continue on to universities worldwide.

Our curriculum is predominantly aligned with CCSSM/E, NGSS, and California State Standards, and the UAE Ministry of Education, where applicable. The medium of instruction is English from Grade 1-12. We also offer a unique trilingual program in English, Arabic and French. The multilingual and multidisciplinary curriculum helps our students develop 21st century skills.

Upon completing twelve years of education, students receive a High School Diploma, which enables the graduates to pursue higher education anywhere around the world.
